

SIZE CHART

Road bikes

(including Cyclo Cross, Triathlon, Time Trial, Single Speed & Touring bikes)

In a discipline where so much can be gained from the slightest of changes, whether you are looking for that extra watt of power, finishing the big sportive or looking for that next adventure, sizing is the most important factor when choosing a road bike. So here at Evans Cycles we understand the importance of getting the right bike for you. Whether you are male or female, short or tall, looking to sprint to the line at a crit race or enjoying the views after a gruelling alpine climb.
